Season 2012 Teams

PLEASE NOTE: The electronic player registration (NMAS) is required by BHSNA this season in January. All clubs will be registering their players directly online via Netball NSW link. Once a club has registered a player online, they **will not** be able to play for another club and will be ineligible for a refund. Any player choosing to de-register with our club **must do so** before the 10th January 2012.

Glenhaven Netball Club aims to ensure team grading is conducted fairly and effectively, and in the best interests of the Club and players. Grading is the process of establishing the number and composition of Glenhaven Netball Club teams to compete in the Baulkham Hills Shire Netball Association (BHSNA) competition. Please note that it is not a club or association rule or requirement to place Rep Squad players in the A team. The club's position is that everyone should be treated equally and graded accordingly.

Grading is influenced by the number and ages of players registered with Glenhaven Netball Club. The overall club picture must always be taken into account to ensure all teams are competitive. Ideally there will be 8 players per team. However, due to numbers registered, some teams may have 9 players. Other teams may be short and we encourage you to ask your friends to play.

In forming teams, the Grading Committee has taken into consideration the Coaches' reports, Committee members observations of teams throughout the season, paper grading and play observed at practical grading. While keeping in mind that a netball team requires a balance of height, agility and ball skills, as well as playing positions ie defences, centre court and shooters, the aim shall be to achieve strength and balance in each team, so teams are:

- *competitive for their grade and will thus provide an enjoyable season for the players.*
- *a balanced group of players in playing positions and of equivalent ability levels.*

With the increase of player registrations, this has been a lengthy process, tackled with due diligence by the Grading Committee. Late registrations could not be guaranteed equal court time at grading.

Players and parents are urged to be objective and reasonable in their expectations, and to encourage their children to be happy in their sport.

It is hoped that players and parents appreciate the difficulty of grading and accept the decision of the grading committee. We encourage our players to accept their team and make new friends, and once the season starts children usually settle in and enjoy playing netball. The support of parents is greatly encouraged for this to occur smoothly.

All decisions of the Grading Committee and Glenhaven Executive Committee are now final. No appeals accepted.

Final teams with coaches will be placed on Glenhaven Netball website February 2011.

PLEASE NOTE: Grades nominated and teams are subject to change until registered and graded with BHSNA. All "team" grading is done by BHSNA after all clubs have registered all players and teams and they have final numbers.
