NETBALL CHALLENGE 2008

Hundreds of players took to the netball courts across Sydney on Sunday 27th July and Sunday 3rd August 2008 all in the name of charity for the inaugural Cure our Kids Netball Cancer Challenge.

Six associations participated in the series and raised a combined total of nearly \$37,290 through team registrations, merchandise and sausage sizzles for Cure Our Kids and the Oncology Unit for the Children's Hospital Westmead.

Charlestown, Eastwood Ryde, Baulkham Hills, Northern Suburbs, Manly Warringah and Coffs Harbour Netball Associations fielded a total of 350 teams between them, all playing their hearts out to raise money for kids with cancer..

BAULKHAM HILLS CARNIVAL A SUCCESS YET AGAIN!

NETBALL CHALLENGE 2009

On Sunday 21st June 2009, Baulkham Hills Netball Association, The Athlete's Foot and Cure Our Kids joined together and pulled off yet another successful Netball Carnival which acted as a fun day out for local teams and a fundraiser for Cure Our Kids.

With 49 teams participating, the girls played 6 games each and even got the chance to hang out with Home & Away's Charlotte Best who attended the day.

A big thank you goes out to all involved for all their hard work and enthusiasm, every team who showed their support through registering as well as a huge congratulations to the winning teams on the day.

CURE OUR KIDS BHSNA CARNIVAL

It may be a *Mother, Father, Brother, Sister* or *Best Friend*. Most of us have been touched by cancer in some way, but probably the most difficult thing to deal with is childhood cancer. Since August 9th 2009, 91 children aged between 4 months and 16 years have been diagnosed and begun treatment in the Oncology Unit at Westmead Childrens Hospital.

Cure Our Kids is a wonderful organization which is dedicated in its support of the cancer unit at Westmead Childrens hospital.

As an Association, BHSNA for the last 2 years, have organized a netball carnival to help raise funds and awareness for this foundation.

We would be grateful if you could pass the following information on to your teams to join us for a fun day. This carnival is not about winning, it is about young girls playing the sport they love while giving something back to their community.
