Sarah Cunningham
Rebecca Dutton
Hayley Llamas
Caitlin O'Neil
Emma Van Vliet

Best and Fairest:

Emma Van Vliet

Most Improved:

Hayley Llamas

What a great season!! This was basically a whole new team, but from the first training they all seemed to get along and soon started to work well together. The girls were eager to train and develop new skills, ah, except for the fitness part... We were coming a clear fourth all season up to the second last game, then tied fourth. Then on a goal average count back we ended up fifth. Congratulations girls on a job well done.

Coaches we need a brief report as we are fitting 4 teams to a page in this years yearbook - keep it to approximately 100 - words, generalised report - no personal names as teams are listed.

Junior Coaches we need a brief report for our club yearbook, because the club has grown to 51 teams we are fitting 4 teams to a page. **Keep it to about 100 words**, any more and your report will be edited, a generalised report - no personal names please. Teams are listed alphabetically - see example left.

Email your report to:

Jenny Way: typeways@bigpond.net.au

or give a written report to Jenny the sooner the better as production of the book has started! and your team will miss out!! Do it ASAP after your last game.

Please include your Best & Fairest and Most Improved names.

We need these names **ASAP** as they need to be engraved on trophies.

Senior teams no report needed - 6 teams to a page, photo and team list only.

Junior Coaches also need to fill out your brief team appraisal that assists the graders for next year, this is valuable input so please put some thought to it and give it to Janelle Berkrey - this week !!!!!

ALL COACHES - When your team has finished their season, please return your photo book & coaching bag / balls to the Gazebo after your last game for the year. For some teams that will be this Saturday - week 14, modified teams - Sunday.

Coaches of Under 9's and above please check each players photo card. If the first side is full, please advise players that they will need a new photo when registering for next season. If player is U12's and above ask the player to sign the reverse of the card as well.

An important message regarding semi's etc:

If your team reaches the semis, finals or grand finals our GLENHAVEN REGISTRAR needs to **submit in writing** if you are borrowing a player from another team, - must be done only by our club registrar - Michelle Mules - 9659 6292 or 0417 229 431, before borrowed players take the court for any final games we need the appropriate paperwork lodged with BHSNA.

You are unable to borrow from another team taking part in the finals and Michelle needs to confirm who you are borrowing. VERY VERY IMPORTANT.

If you know you will needing a reserve or fill in player, best to get it organised TODAY! Tell Michelle and she can organise the appropriate paper work for BHSNA.
