under 11's - 4 VACANCIES

Teams 3 - 7 posted in November 2011 are no longer applicable. Glenhaven grading committee is advising players and parents that teams 3 - 7 in the under 11's 2012 will be regraded in February 2012.

PLEASE NOTE:

- There are 4 vacancies to fill in this age group, to make 5 teams of 8 players. New players registering will be of varying abilities and will need to be evaluated and graded fairly.
- Players will not be eligible for teams 1 & 2, those two teams remain as posted.
- If the 4 vacancies can not be filled the players will be regraded into 4 teams of 9 players.
- Due to time constraints for registering teams for the BHSNA winter 2012 competition, once teams have been regraded, the decision of the grading committee is final, there will be no process for appeals.
- Glenhaven will accept registration of players born 2002 to fill vacancies, as our under 10's is full.
- Regrading, time, place and date will be posted on Glenhaven Netball Website - Monday 30th January 2012 - please check website for details.

Any player or parent not comfortable with this process or with the prospect of 9 players in their team, please take this opportunity to find an alternative netball club that may be more suited to your netball needs. Please do so now and advise our club registrar ASAP, as moving forward we need to be aware of our registration numbers. Any player choosing to deregister needs to do so before January 10th 2012 and the club will refund your registration in full. If you know of any player yet to register wanting to play 11's 2012 please have them contact our Registrar Michele 0425 208 796
